

# **Sin Is Still Sin**

It just isn't us doing it anymore

February 17, 2008

For all those who challenge us with the VERY SAME QUESTIONS that Paul's first - time hearers ask.

**Shall we continue in sin?**

**Shall we sin?**

**Simple answer: GOD FORBID**

And these are so-called Bible Believer 'grad's' asking these questions today!  
Simply amazing that they are so afraid of Paul 'only' today.
