

30 Are Brethren Truly Brethren?

If we are thinking the Rapture must be closer, then...

- Satan must be almost ready to come down!
- Satan must be almost completed with his original plan of being as the most High!
- People will have been prepped to accept and be excited about this 'Christ' that will suddenly appear!
- This anti-Christ will have to be like Christ in some manner because people will certainly not accept and worship Satan to his face!
- People will be looking for 'Jesus' and will be thrilled – just as they were beforehand!
- Evil will be called good; and good will be called evil – darkness and light – bitter for sweet!
- People will be wise in their own eyes and prudent in their own sight!
- People that are mighty and men of strength will be mingling strong drink, etc.!
- People will be justifying the wicked for reward and taking away the righteousness of the righteous from him!
- People will have cast away the law of the LORD of hosts and despised the word of the Holy One of Israel!
- All kinds of music will be the norm in the churches for worship!
- There will no more preaching / teaching / accepting, etc. the goodness of God!
- The preaching will be the love of God versus the severity of God!
- The 'falling away' will not be noticeable because the new lifestyle will be totally acceptable!
- Churches, bibles, religions, music, pastors, leaders, perversions will be rejecting the 'old' ways, global elements will be working towards complete design and control!
- People will be thinking that they are all Christ-like (as taught by their pastor)– in other words, be as gods, as Satan told Eve! The women believed it and the men have become so emasculated and 'worthless,' they already are allowing it – and probably are not even aware of any of this today – and if they were, they won't dare try to do anything about it – cuz there goes the marriage, the family, the job, their career, their success, etc.
- Children will be in charge – they will behave himself proudly attains the ancient, and the base against the honourable – will be the oppressors, and women will rule and will cause people to err and destroy the godly path.
- Satan will be running the roost, according to **Revelation 13**!
- People who reject and refuse will not be able to buy or sell and will be beheaded.
- **Matthew 24:7-13** will eventually begin to be happening more and more.
- The gospel of the kingdom 'should' be preached during the tribulation but won't be.
- **Amos 8:11-13** – there will be famine of hearing the word of the Lord again! We certainly are approaching that situation these days already!
- They eventually will see the abomination of desolation, as spoken of by Daniel the prophet, stand in the holy place...

By the time this all comes together in full global application, it will then be the Tribulation!
Then, when the Tribulation is 'over' – **Revelation 19** takes place!

My question is:
How Did Satan Do It?

How did he eventually achieve his goal to be like the most High?
How did he get away with it for so long – right up to the end - new beginning?
